*Saginaw Public School
teachers are hosting a
Family Math Night!*

October 22nd, 2014

6:30-8:00

Come explore the wonders of math with your child and enjoy an exciting evening of hands-on learning activities and games!

Discover resources that create a positive approach to learning while building an understanding of mathematical concepts.

Don't forget to visit the gym for some board game fun, building competitions, and face painting!
